

# **Japan KITE Activity**

**February 2012 - Taiwan**

**Terry Matsumoto, Global Business Development Manager  
TAKUMI**

# Khronos Member DMP Success was a Light Bulb

- Offering “sold out” training classes in OpenGL ES and OpenVG for several years
- Example of high demand for training and education in Khronos technology
- Khronos is confident DMP is teaching consistent quality, but what about others?
- The goal of standardized exams to ensure quality education was born

# Tokyo KITE Chapter Takes Form

- **First Meeting of Professors and Khronos Group in Tokyo in Nov 2011**
- **KITE slides reviewed by OpenCAE Society of Japan Seminar in Dec 2011**

**November 17, 2011 at ANA Intercontinental Tokyo**
