3. CONTRACTOR ENGAGEMENT

3.1 Term

This Agreement shall commence on Effective Date and, unless terminated earlier in accordance with Termination provisions below, shall continue in full force and effect until the Statement of Work is completed (**“Term”**).

3.2 Engagement of Services

Khronos may from time to time issue Project Assignments in the form attached to this Agreement as Exhibit B. Khronos shall not be responsible for any work, services or expenses incurred by Contractor related to a Project Assignment prior to a Project Assignment Attachment being executed by both parties. Contractor shall stop work and notify Khronos immediately if Contractor is unable to complete a Project Assignment under the terms defined in the Project Assignment Attachment. Subject to the terms of this Agreement, Contractor will, to the best of its ability, render the services set forth in Project Assignments accepted by Contractor by the completion dates set forth therein. The manner and means by which Contractor chooses to complete the Project Assignments are in Contractor's sole discretion and control. Contractor agrees to exercise the highest degree of professionalism, and to utilize its expertise and Khronos talents in completing such Project Assignments. In completing the Projects Assignments, Contractor agrees to provide its own equipment, tools and other materials at its own expense. Khronos will make its facilities and equipment available to Contractor when necessary. Contractor shall perform the services necessary to complete the Project Assignments in a timely and professional manner consistent with industry standards, and at a location, place and time which the Contractor deems appropriate. Contractor may not subcontract or otherwise delegate its obligations under this Agreement without Khronos' prior written consent.

3.3 Khronos Supplied Materials

Contractor shall specifically describe and identify in Exhibit C all materials which Khronos shall supply that Contractor intends to use in performing under this Agreement (**“Khronos Materials”**). Such description shall include the licensing terms under which Contractor shall use Khronos Materials.

3.4 Compensation

Khronos will pay Contractor a fee for services rendered under this Agreement as set forth in the Project Assignments undertaken by Contractor. Contractor will be reimbursed for any reasonable expenses incurred in connection with the performance of services under this Agreement provided Contractor obtains Khronos' prior approval and submits verification of such expenses as Khronos may require. Upon termination of this Agreement for any reason, Contractor will be paid fees and expenses on a proportional basis as stated in the Project Assignments for work which is then in progress, to and including the effective date of such termination. Unless other terms are set forth in the Project Assignments for work which is in progress, Khronos will pay the Contractor for services and will reimburse the Contractor for previously approved expenses within thirty (30) days of the date of Contractor's invoice.

3.5 Acceptance and Invoicing

Any testing and acceptance procedures for particular Deliverables are defined in the Project Assignments. Upon acceptance of any item of work, such acceptance not to be unreasonably delayed, Contractor may immediately invoice Khronos the corresponding amount specified in the Project Assignment.

3.6 Milestones

If intermediate deliverables and schedules ("**Milestones**") are defined in the Project Assignments, work on each Milestone shall not proceed until Khronos approves the work in writing after the completion of the preceding Milestone.

3.7 Independent Contractor Relationship

Contractor's relationship with Khronos will be that of an independent contractor and nothing in this Agreement should be construed to create a partnership, joint venture, or employer-employee relationship. Contractor is not the agent of Khronos and is not authorized to make any representation, contract, or commitment on behalf of Khronos. Contractor will not be entitled to any of the benefits which Khronos may make available to its employees, such as group insurance, profit-sharing or retirement benefits. Contractor will be solely responsible for all tax returns and payments required to be filed with or made to any federal, state or local tax authority with respect to Contractor's performance of services and receipt of fees under this Agreement. Khronos will regularly report amounts paid to Contractor by filing Form 1099-MISC with the Internal Revenue Service as required by law; since Contractor is an independent contractor, Khronos will not withhold or make payments for social security; make unemployment insurance or disability insurance contributions; or obtain worker's compensation insurance on Contractor's behalf. Contractor agrees to accept exclusive liability for complying with all applicable state and federal laws governing self-employed individuals, including obligations such as payment of taxes, social security, disability and other contributions based on fees paid to Contractor, its agents or employees under this Agreement. Contractor hereby agrees to indemnify and defend Khronos against any and all such taxes or contributions, including penalties and interest.

3.8 Contractor Representations and Warranties

Contractor hereby represents and warrants that: (a) Khronos Work Products will be original work of Contractor (and/or its Affiliates) or based on Khronos Materials and any third parties will have executed assignment of rights and Contractor must receive written approval from Khronos that these assignments are reasonably acceptable to Khronos; (b) to the best of Contractor's knowledge neither Khronos Work Products nor any element thereof will infringe the Intellectual Property Rights of any third party; (c) neither Khronos Work Products nor any element thereof other than those based on Khronos Materials will be subject to any restrictions or to any mortgages, liens, pledges, security interests, encumbrances or encroachments; (d) Contractor will not grant, directly or indirectly, any rights or interest whatsoever in Khronos Work Products to third parties; (e) Contractor has full right and power to enter into and perform this Agreement without the consent of any third party; (f) Contractor will take all necessary precautions to prevent injury to any persons (including

employees of Khronos) or damage to property (including Khronos' property) during the Term; (g) should Khronos permit Contractor to use any of Khronos' equipment, tools, or facilities during the Term, such permission shall be gratuitous and Contractor shall be responsible for any injury to any person (including death) or damage to property (including Khronos' property) arising out of use of such equipment, tools or facilities, whether or not such claim is based upon its condition or on the alleged negligence of Khronos in permitting its use. REPRESENTATIONS AND WARRANTIES SET FORTH HEREIN SHALL CONSTITUTE CONTRACTOR'S ENTIRE REPRESENTATIONS AND WARRANTIES UNDER THIS AGREEMENT. EXCEPT FOR THE WARRANTIES EXPRESSLY STATED ABOVE, CONTRACTOR MAKES NO OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED, TO THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, WITH RESPECT TO THE WORK PRODUCTS, DELIVERABLES AND ANY SERVICES PROVIDED UNDER THIS AGREEMENT.

4. TRADE SECRETS

4.1 No Conflict of Interest

Contractor agrees during the Term not to accept work or enter into a contract or accept an obligation, inconsistent or incompatible with Contractor's obligations under this Agreement or the scope of services rendered for Khronos. Contractor warrants that to the best of its knowledge, there is no other existing contract or duty on Contractor's part inconsistent with this Agreement, unless a copy of such contract or a description of such duty is attached to this Agreement in Exhibit C. Contractor further agrees not to disclose to Khronos, or bring onto Khronos' premises, or induce Khronos to use any confidential information that belongs to anyone other than Khronos or Contractor.

4.2 Disclosure of Work Products

Contractor agrees to disclose promptly in writing to Khronos, or any person designated by Khronos, all Khronos Work Products. Contractor represents that any Work Product or any project which Contractor has made, conceived or reduced to practice at the time of signing this Agreement relating to Khronos' business ("**Prior Work Product**") has been disclosed in writing to Khronos and attached to this Agreement in Exhibit C. If disclosure of any such Prior Work Product would cause Contractor to violate any prior confidentiality agreement, Contractor understands that it is not to list such Prior Work Product in Exhibit C but it will disclose a cursory name for each such invention, a listing of the parties to whom it belongs, and the fact that full disclosure as to such Prior Work Product has not been made for that reason.

4.3 Ownership of Work Products

Contractor shall specifically describe and identify in Exhibit C all Background Technology which Contractor intends to use in performing under this Agreement. Contractor agrees that, except for Contractor's Background Technology, any and all inventions conceived, written, created or first reduced to practice in the performance of work under this Agreement shall be the sole and exclusive property of Khronos.

4.4 Assignment of Khronos Work Products

Except for Contractor's rights in the Background Technology which may be licensed under specific terms in Exhibit C, Contractor irrevocably assigns to Khronos all right, title and interest worldwide in and to Khronos Work Product and all applicable intellectual property rights related to the Khronos Work Product, including without limitation, copyrights, trademarks, trade secrets, patents, moral rights, contract and licensing rights (the "**Proprietary Rights**"). Except as set forth below, Contractor retains no rights to use Khronos Work Product and agrees not to challenge the validity of Khronos' ownership in Khronos Work Product. Contractor hereby grants to Khronos a non-exclusive, royalty-free, irrevocable and world-wide right, with rights to sublicense, to reproduce, make derivative works of, publicly perform, and publicly display in any form or medium, whether now known

or later developed, distribute, make, use and sell Background Technology and any Prior Work Product incorporated or used in the Khronos Work Product for the purpose of developing and marketing Khronos products, but not for the purpose of marketing Background Technology or Prior Work Products separate from Khronos products.

4.5 Work Made for Hire

Contractor further acknowledges and agrees that the Khronos Work Product shall be considered Work Made For Hire on behalf of Khronos as such term is defined under the copyright laws of the United States. As the Khronos Work Product or any portion thereof is completed by the Contractor, all right, title and interest therein shall automatically vest in Khronos, Khronos shall be the sole and unlimited owner thereof and of all rights therein throughout the world forever, and Khronos shall be entitled to the copyright therein, including statutory copyright and all renewals and extensions thereof, as copyright author and proprietor. To the extent that the Khronos Work Product, or any portion thereof, may not qualify as a Work Made For Hire, Contractor hereby grants, transfers, and assigns all right, title, and interest in and to the Khronos Work Product to Khronos, including, without limitation, all copyright, trademark, and any and all other proprietary rights therein, worldwide and in perpetuity for use in any and all media now known or hereinafter developed.

4.6 Waiver of Assignment of Other Rights

If Contractor has any rights to the Khronos Work Product that cannot be assigned to Khronos, Contractor unconditionally and irrevocably waives the enforcement of such rights, and all claims and causes of action of any kind against Khronos with respect to such rights, and agrees, at Khronos' request and expense, to consent to and join in any action to enforce such rights. If Contractor has any right to the Khronos Work Product that cannot be assigned to Khronos or waived by Contractor, Contractor unconditionally and irrevocably grants to Khronos during the term of such rights, an exclusive, irrevocable, perpetual, worldwide, fully paid and royalty-free license, with rights to sublicense through multiple levels of sublicensees, to reproduce, create derivative works of, distribute, publicly perform and publicly display by all means now known or later developed, such rights.

4.7 Assistance

Contractor agrees to cooperate reasonably with Khronos or its designee(s), both during and after the Term, in the procurement and maintenance of Khronos' rights in Khronos Work Product and to execute, when requested, any other documents deemed necessary by Khronos to carry out the purpose of this Agreement.

4.8 Enforcement of Proprietary Rights

Contractor will assist Khronos in every proper way to obtain, and from time to time enforce, United States and foreign Proprietary Rights relating to Khronos Work Product in any and all countries. To that end Contractor will execute, verify and deliver such documents and perform such other acts (including appearances as a witness) as Khronos may reasonably request for use in applying for, obtaining, perfecting, evidencing, sustaining and enforcing such Proprietary Rights and the assignment thereof. In addition, Contractor will execute, verify and deliver assignments of such Proprietary Rights to Khronos or its designee. Contractor's obligation to assist Khronos with respect to Proprietary Rights relating to such Work Product in any and all countries shall continue beyond the termination of this Agreement, but Khronos shall compensate Contractor at a reasonable rate after such termination for the time actually spent by Contractor at Khronos' request on such assistance.

4.9 Execution of Documents

In the event Khronos is unable for any reason, after reasonable effort, to secure Contractor's signature on any document needed in connection with the actions specified in the two preceding sections, Contractor hereby irrevocably designates and appoints Khronos and its duly authorized officers and agents as its agent and attorney in fact, which appointment is coupled with an interest, to act for and in its behalf to execute, verify and file any such documents and to do all other lawfully permitted acts to further the purposes of the preceding paragraph with the same legal force and effect as if executed by Contractor. Contractor hereby waives and quitclaims to Khronos any and all claims, of any nature whatsoever, which Contractor now or may hereafter have for infringement of any Proprietary Rights assigned hereunder to Khronos.

5. INDEMNIFICATION

Contractor will indemnify and hold harmless Khronos, its officers, directors, employees, sublicensees, customers and agents from any and all claims, losses, liabilities, damages, expenses and costs (including attorneys' fees and court costs) arising from any act or omission which result or arise, directly or indirectly, from a breach or alleged breach of any representation or warranty of Contractor (a "**Claim**") set forth in this Agreement, provided that Khronos gives Contractor written notice of any such Claim and Contractor has the right to participate in the defense of any such Claim at its expense. From the date of written notice from Khronos to Contractor of any such Claim, Khronos shall have the right to withhold from any payments due Contractor under this Agreement the amount of any defense costs, plus additional reasonable amounts as security for Contractor's obligations under this Section.

6. TERMINATION

6.1 Termination by Khronos

Khronos may terminate this Agreement at its convenience and without any breach by Contractor upon thirty (30) days' prior written notice to Contractor. Upon any such termination, Khronos shall be responsible for paying Contractor for any and all Services and expenses accrued or incurred prior to the effective date of termination as stated in this Agreement. Khronos may also terminate this Agreement immediately in its sole discretion upon any material breach of Agreement by Contractor

6.2 Termination by Contractor

6.3 Non-interference with Business

During and for a period of two (2) years immediately following termination of this Agreement by either party, Contractor agrees not to solicit or induce any employee or independent contractor to terminate or breach an employment, contractual or other relationship with Khronos.

6.4 Return of Khronos Property

Upon termination of the Agreement or earlier as requested by Khronos, subject to all fees being paid to Contractor, Contractor will deliver to Khronos any and all tangible copies of drawings, notes, memoranda, specifications, devices, formulas, and documents, together with all copies thereof, and any other material containing or disclosing any Khronos Work Product and destroy all intangible copies of same information. Contractor further agrees that any property situated on Khronos' premises and owned by Khronos, including disks and other storage media, filing cabinets or other work areas, is subject to inspection by Khronos personnel at any time with or without notice.

“**Compliant Portion**” means a portion of a product, where such portion is fully compliant with all relevant portions of a Ratified Specification. Any portion of a product that is not fully compliant with all relevant portions of a Ratified Specification shall not constitute a Compliant Portion.

“**Control**” means direct or indirect ownership of or the right to exercise (a) greater than fifty percent (50%) of the outstanding shares or securities entitled to vote for the election of directors or similar managing authority of an entity; or (b) greater than fifty percent (50%) of the ownership interest representing the right to make the decisions for such entity.

“**Necessary Patent Claims**” means claims of a patent or patent application, other than design patents and design registrations, issued or filed in any country, to which Contractor or its Affiliates has the right to grant licenses in accordance with the terms and conditions of this Attachment A at any time during the term of the Agreement, and which are necessarily infringed by any Compliant Portion. Necessary Patent Claims do not include any claims (i) other than those set forth above even if contained in the same patent or patent application as Necessary Patent Claims; (ii) that read solely on (1) any implementation of any portion of the Ratified Specification that is not a Compliant Portion, or (2) any Compliant Portion that is not within the bounds of the Scope; or (iii) that it is possible to avoid infringing because there is a commercially plausible non-infringing alternative for implementing such portions of the Ratified Specification.

“**Reciprocal License**” means the perpetual, royalty-free, fully paid, worldwide, nonexclusive license under any Necessary Patent Claims to make, have made, use, import, offer to sell and sell Compliant Portions, together with the right without royalty or fee to sublicense to third parties (a) the right to distribute Compliant Portions through the normal tiers of distribution to end users or to resellers, distributors, dealers and authorized manufacturers and others in the distribution channel, and (b) the right to reproduce Compliant Portions solely in connection with the distribution permitted under paragraph (a) of this definition, provided, however, that the royalty-free provisions shall not apply to Necessary Patent Claims that, if licensed would require payment by licensor to unaffiliated third parties.

“**Contractor**” means any entity that has signed the Khronos Contractors Agreement to which this Attachment A is attached.

“**Scope**” means the application program interfaces and data structures solely to the extent disclosed with particularity in a Ratified Specification where the sole purpose of such disclosure is to enable products to interoperate, interconnect, or communicate as defined within a Ratified Specification. Notwithstanding the foregoing, the Scope does not include: (a) any enabling technologies that may be necessary to make or use any product or portion of any product that complies with the Ratified Specification, but are not themselves expressly set forth in the Ratified Specification (e.g. semiconductor manufacturing technology, hardware architecture, processor architecture or microarchitecture, compiler technology, object oriented technology, basic operating system technology, compression technology, algorithms, and so on); or (b) the implementation of other published specifications developed elsewhere but referred to in the body of the Ratified Specification; or (c) any portions or combinations of any product whose purpose is not required for compliance with the Ratified Specification. For purposes of this definition, the Ratified Specification will include only interconnection requirements and will not include any

implementation examples or any information pertaining to the architecture, design or operating principles of any implementations unless such implementation examples or information are expressly identified as being included as part of the Ratified Specification, and provided that the Contractor or Khronos Members submitting the Contributions including such implementation examples or information provide their consent to such identification.
