Dear Ms. Riegel and Mr. Russell,

Nvidia Corporation ("Nvidia") submits the following IP Disclosure Certificate:

Nvidia is the owner of US Patent No. 5,651,104 entitled "Computer Graphics System And Process For Adaptive Supersampling", hereinafter referred to as the '104 Patent. Nvidia believes that the '104 patent contains Necessary Patent claims pertaining to the proposed WebGL EXT\_texture\_filter\_anisotropic Extension Specification.

To the extent the '104 patent contains Necessary Patent claims, Nvidia does not agree to make available a Reciprocal License to such Necessary Patent claims for any Khronos ratified specification, including, but not limited to, any WebGL extension or any WebGL Specification.

Please direct any questions to:

Director of Intellectual Property
